Kansas: Banks' Economic Impact

Banks support Kansas's economy with consumer, business and other loans, and by providing more than 21,000 people with a rewarding place to work.

Helping Customers Stay Safe

At Bank of Labor's community bank locations in the Kansas City area, lobbies were temporarily closed in mid-April through May during the COVID-19 crisis in order to reduce staff and customer exposure risk. They reopened in June with new safety measures in place, including sneeze guards, mask

requirements, crowd size limitations, plus floor markings and signs for social distancing.
